DUCKLINGS CLASS

TEACHER: Miss Cheryl

NEWS

Welcome to the month of March. We are inching our way to Spring, slowly but surely. As we enter the month of March, let us tell you what we have in store for your child. The themes for March are the ZOO, JUNGLE, and FOREST ANIMALS. The children will get a chance to learn about different animals that live in the zoo, forest, and the jungle. The children will also get an opportunity to match the animals with their animal prints. Bethany and I are very excited to decorate the classroom up like a jungle/zoo for the children. The manner for March is Thoughtfulness and Friendly. We are going to practice these traits by "doing unto others as we want to be treated". We will encourage the children to help a friend up if they fall or share their toys with others.

This month we will be having Parent/Teacher Conferences, The week of March 8-12. We will post a signup sheet for you to pick a convenient time to meet with the teacher.
