APRIL 2021

DRAGONFLIES CLASS

TEACHER: Miss Rina

NEWS:

April is such a wonderful month to study the weather because here in New Hampshire, we have such a wide array of weather! Stormy, rainy days; warm and sunny days; windy blustery days; even cold, snowy days! We will be learning more about the weather as our themes for April are Weather and Baby Animals.

As always, if you have any questions or concerns, I'd love to speak with you. Please let me know, or call the office, to request a time for us to speak privately, as I want to give you my full attention, and not neglect the children.

CLASSROOM REMINDERS:

- Please check your child's locker to make sure they have a change of clothes.
- With the warmer weather, please have a sweatshirt or sweater available for your child
-

IMPORTANT DATES:

- | | |
