APRIL 2021

DUCKLINGS CLASS

TEACHERS: Miss Cheryl

NEWS

It is not a fool, it is now April! As April showers bring May flowers, the Ducklings will have many activities planned for this month. The themes for the month are **SPRING WEATHER** and **BABY ANIMALS**. The toddlers will get an opportunity to plant seeds and get a chance to water them as they learn about plant life. Furthermore, we will get to explore weather by some science experiments and hands on activities, such as shaving cream to resemble clouds. The manner for April is **KIND** and **COURTEOUS**. The toddlers will get the experience of the manners by listening to books and playing in housekeeping.

It is such a joy to help further the learning of your little ones. We are very excited for this month to begin! Thank you!
