CUBS CLASS

TEACHERS: Miss Emily & Miss Sam

NEWS

The children are having a blast this summer! We are making the most of our outdoor time and taking advantage of the hot weather. Our summer fun will continue using the wading pools, the beach ball sprinkler and playing water games!

This month our themes will be *CAMPING & PICNICS* and the *CIRCUS*. Our character traits will be on being *PATIENT* and *POLITE*.

We have many theme related activities planned. The children will be counting fireflies, ants on a blanket and circus animals. We will also be learning about camping safety.

This month we are planning a camp out day! The children will spend most of their day outdoors (weather permitting) participating in camping activities. Your child is welcome to bring in any age appropriate camping gear for the day! We have a camp theme lunch planned!
