## DUCKLINGS CLASS NEWS

TEACHERS: Miss Cheryl

Hello Parents Welcome to the New School Year! Goodbyes to some of our friends moving up to the Cubs Class, however, we're very excited for the new school year roster. The first two weeks of September we are going to be learning about ourselves and our family. We will be providing an All About Me poster and ask you parents to decorate the poster with your child and to provide some pictures of your family. We will then display the posters in the classroom to share with everyone.

Our second unit will be about Apples. The Toddler's will get a chance to go apple picking in dramatic play and pretend to be in an apple orchard. They will also get a chance to learn about colors, textures, and size of apples. We as a class will be doing a lot of different activities involving apples, which include pies, playdough, and apple crisp. Apples are always fun to explore especially the smell. The manner for September will be being attentive and being obedient.

The Duckling Class is really eager for this new upcoming year, we look forward to see what this new year will unfold.

Please make sure to check your child's cubbies for weather appropriate clothing and upcoming events.
