LAMBS CLASS

TEACHER: Miss Betty

NEWS

Our themes for the month of January are SNOW and SUN, MOON and STARS. In our class, we will be focusing on shapes! For one art project, we will make a snowman out of three circles. We will learn a song about snowflakes (see words below). For the second theme, we will sing a song about the sun using a Sun Circle Puppet (see words below). Of course, we will also sing everybody's favorite: "Twinkle, Twinkle, Little Star."

CLASSROOM REMINDERS

Snowflakes Falling Down (Tune: "Row, Row, Row Your Boat")
 Snowflakes falling down, (Lower hands while fluttering fingers.)
 Falling to the ground.
 Big, white fluffy flakes (Make circles with thumbs and index fingers.)
 That do not sound. (Put finger to lips and shake head.)

Bright Sun (Tune: "Row, Row, Row Your Boat")

Bright sun shining down,
 Shining on the ground.
 What a lovely face you have
 Yellow, big and round.

Thank You!
 Miss Betty
