TEACHERS: Miss Cheryl & Miss Ann

NEWS

Welcome to July! For the Month of July, we will be learning about the OCEAN. We will discuss what kind of fish and things you can find in the ocean. We will be setting up the classroom and display beach décor that will make us feel like we're at the beach. The toddlers will also get the experience the feeling of sand, seaweed and saltwater. During our beach unit for July, we will also learn how to be dependable and respectful to one another.
