NEWS

The themes for the month of July are **AT THE BEACH** and **OCEAN AND MARINE LIFE**. We will learn some songs about waves and some animals that live in the ocean (see words below). We will also hear a poem about Five Ocean Friends (a crab, lobster, jellyfish, sea horse and clam). We will make Ocean Motions such as huge whales, floating in the sea, jellyfish gliding, sea gulls flying, clams digging, crab walking, pelicans swooping and fish swimming. Maybe some of you will be going to the beach this summer. We hope that all of you enjoy the warm summer weather and make some memories.

Spout some Water (Tune. "If You're Happy and You Know It")

If you're a whale and you know it, spout some water (whoosh, whoosh). (2X)
You'd be happy as can be in the ocean wild and free.

If you're a whale and you know it, spout some water (whoosh, whoosh)
