DUCKLINGS CLASS

TEACHERS: Miss Cheryl

NEWS

It's that time of year again, where we see leaves changing colors and feel the crisp air against our face. As we get ready for our fall activities, the duckling class will be learning about Pumpkins, Autumn, and Community Helpers. The Ducklings will get the opportunity to explore with pumpkins and learn about the taste, size, and texture of them. The Autumn theme will consist of the colors and how the leaves change colors. Lastly, we will learn about Community Helpers. In dramatic play, we will display photos of our community helpers. We will use dress up clothes to pretend to be Community Helpers. The manner for October in Sharing and unselfishness.
