

September 15, 2025

Dear Parents,

For more than 40 years, Little Arrows has been a ministry devoted to serving families in Milford and the surrounding communities. Through our child care and early learning programs, we've had the privilege of nurturing hundreds of infants and young children during their most formative years.

Our teachers, support staff, and Board members have poured countless hours into this mission, and we want to express our deepest gratitude to you for trusting us to walk alongside you during these precious early years of your child's development. It has been our joy and honor to care for, love, and educate each of your little ones.

After much prayerful consideration, and due to circumstances beyond our control, the Board of Directors has made the difficult decision to close Little Arrows Child Care Services. Our final day of operation will be October 3, 2025.

We understand that this news may be painful and unsettling for your families, and for all of us who have devoted our hearts to this ministry. In the days ahead, we ask that we continue to extend grace, compassion, and kindness to one another as we navigate this transition together.

***With heartfelt thanks,
The Board of Directors
Little Arrows Child Care Services***
